Facility Description

Tennessee Centennial is an ideal location for corporate outings, charity fundraisers, association meetings, weddings, and other gatherings. Our professional staff will coordinate your outing plans to meet your specific needs.

Centennial is an 18-hole facility located in Oak Ridge, TN and overlooks beautiful hills and with some views of Melton Lake on the second 9. Tennessee Centennial officially opened the Gary Roger Baird design in 1996 and it remains the only golf course in Anderson County.

The golf course is traditionally rated one of the best golf courses in the area. The Bent grass greens always seem to have extra subtle breaks in them, and the Bermuda fairways produce a nice, cushioned surface, almost as if the ball is on a tee.

Recent renovations are very visible…… new cart path laid from Hole #6 to Hole #7, as well as a new roof on the Clubhouse, and new paint and flooring inside! The fully stocked Golf Shop can provide gifts from many of the major manufacturers including, but not limited to, Titleist, TaylorMade, PXG, Callaway, Under Armour, Adidas, Bridgestone, Imperial, FootJoy, and more!
